PLEDGE YOUR SUPPORT!

"Let us be as precise and balanced as possible in our words."

— St. Francis de Sales,
patron of journalists and the Catholic press

Did you know that Catholic media is currently undergoing a renaissance?

It's true. In fact, here in the Diocese of Rochester, more than 72% of respondents to our most recent readership survey said they turn to the Catholic Courier first for news and information about the Catholic Church and the Diocese of Rochester.

At the same time, Catholic media face many challenges in today's economic and cultural environment. As the Catholic Courier approaches its 135th anniversary in October, will you partner with us to demonstrate support for the good work we do to inform, inspire, and connect the community of the Diocese of Rochester?

You can show your support in several tangible ways. Actions as simple as adding us to your favorites on social media or setting catholiccourier.com as your browser's home page can greatly enhance the reach and impact of our efforts. We've included below a pledge card listing a few ways you can demonstrate your support for our mission. We encourage you to fill it out and send it back to us — or scan the QR code for an online version — so we'll know we can count on you!
